Claims.

Rosebud, So. Dak.  
November 1, 1917.

Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

In reply to letter of above brief and dated Oct. 24. This office finds it a physical impossibility to complete the Census by the date specified owing to the fact that our records have been in the hands of the allotting crew until just the last few days. However, we have numbered the living Indians on the roll and find the total to be 5634. This may, when worked out to completion, be slightly changed but it will be so slightly as to make practically no difference and for all working purposes that number may be considered.

This office will endeavor to have the Census in complete form and at your Office by the 20th of November and perhaps a few days sooner than that date but beyond that we can not promise.

Very respectfully,

*Edward J. Leroy*  
Superintendent.

Oct 24, 1917.

Mr. Claude C. Covey,

Superst. Rosebud School.

My dear Mr. Covey:

Your annual report for 1917 shows a population of 5,636 Sioux Indians under your supervision, and yet, according to the files of this Office, no census for the year has been received.

In this connection your attention is invited to Office letter of July 16, and card, Form 5-125, dated August 30, calling for this report. Section 9 of the act of July 4, 1884 (23 Stat. 5. 78), requires Superintendents to submit annually a census of all Indians under their jurisdiction.

The Office is making special effort this year to secure a complete census of all Indians under Federal Supervision.

In view of these facts, the Office requests you to prepare a list (arranged alphabetically by families) of all Indians under your jurisdiction, on Form 5-128, and submit the same not later

- 2 -  
than November 5, 1917.

Very truly yours,

Asst Comdr.
